

## Update 2

---

Date: Saturday, April 18, 2019

From: ATRA

Ref: Requested Timeline Extension by MNOs

---

As part of the consultation process Q&A period for the spectrum assignment, ATRA received a cover letter request along with the MNO's joint letter that said:

**Question/request:**

“Kindly note that our Formal Joint Comment is going to be largely guided by your responses to these questions. To that end, we need the deadline set for April 17, 2019 to be extended by (3) weeks from the date we receive ATRA's response.”

**ATRA's response:**

ATRA acknowledges this request and, therefore extends the deadline for the formal submission of comments on the consultation paper for Wednesday May 8<sup>th</sup>, 2019.

ATRA will further extend the Q&A period for an additional 11 days, that is until Sunday April 28<sup>th</sup>, 2019, in order to allow a richer exchange in the Q&A forum. It is recommended that additional questions and calls for clarifications be submitted prior to the deadline.

ATRA will post answers to the submitted questions shortly.

ATRA will also re-issue and post a new calendar / timeline, in line with the new changes, and may issue other updates as needed through the end of the Q&A forum.
